## Plan Review 2012 Rebate Application

**Elk River Municipal Utilities, PO Box 430, Elk River, MN 55330 Ph: 763-441-2020**

### **Specific Rules and Qualifications**

1. For new construction or renovation of commercial/retail building projects.
2. The project building size must be less than 50,000 square feet.
3. Analysis can begin when preliminary building designs are completed, prior to the development of construction documents.

4. Rebates are available for implementing or installing energy efficient electrical equipment which perform beyond the Minnesota State energy code requirements through either the prescriptive or custom rebate programs. Please call ERMU (763) 441-2020 with any questions.

### **Warranty Information**

Rebate qualifications do not imply any representation or warranty of such equipment, design or installation by ERMU. ERMU shall not be responsible or liable for any personal injury or property damage caused by this equipment. ERMU does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall ERMU be liable for any incidental or consequential damages.

### **Other Important Program Rules**

1. The cost shall be shared; 50 percent ERMU and 50 percent customer.
2. The customer is responsible for checking with ERMU to determine whether funding is available and to verify program parameters.
3. ERMU will conduct a review of inspections and reports. Call 763-635-1332 to schedule.
4. The maximum rebate amount shall be the lesser of 50 percent of the project cost or \$20,000.
5. Customers must apply for 2012 rebates no later than November 16, 2012.
