2012 Recycling Rebate Application Form

The City of Elk River's weekly participation rate has increased to an average of 62% from 57%. Thank you for your continued participation in the City's curbside recycling program! Unfortunately, the total amount of waste recycled in the City for 2011 was only 18%. With your help, we can continue our high rate of participation, increase the percentage of waste recycled in the City, and minimize dependency on incineration and landfills. To qualify for the \$25 recycling rebate, you must complete the entire application and sign it. **An additional \$15 rebate will be given to all those residents who also participate in the Source Separated Organics (SSO) Program.**

Receipt: On _____(date), I mailed the application for a recycling rebate to the City of Elk River because I recycled (or will recycle) a **minimum** of four items at my residence in 2012. Businesses do NOT qualify for this rebate. **Please note: The City of Elk River will contact the applicant if qualification criteria have NOT been met. If a recycling rebate is due to the applicant, it will be noted as a \$25.00 credit (rebate) on the Utility Bill. An additional \$15 credit will be applied as a credit if the applicant has participated in the Source Separated Organics (SSO) Program for the entire year. This credit will be noted on the January or February, 2013 bill. If the credit does not appear on the bill, this receipt is required to receive reimbursement to qualified individuals.**
